Stewardship Reflection

Eleventh Sunday in Ordinary Time

1st Reading: Ezekiel 17.22-24

2nd Reading: 2 Corinthians 5.6-10

Gospel: Mark 4.26-34-*The Parable of the Mustard Seed*

Summary

In today's Gospel we hear about the parable of the mustard seed in which Jesus explains that the tiniest seed can grow into the largest tree that houses many birds of the air. The mustard seed represents the Gospel message that began with a few people 2000 years ago and has now spread all over the world. As stewards, we should play our part in helping the tree continue to grow through the gift of our time and talents.

She has spoken on various issues of moral theology before a variety of audiences.

Your gift to ShareLife is helping!

Thank you for all that you are doing for ShareLife! This message concerns changes to collection dates for our current ShareLife campaign.

When we announced the collection dates for 2021, we did so on the basis that our parishes would be open. As of last week, it was uncertain if we would be back in our parishes when the second ShareLife collection was to take place (June 19-20).

The recent announcement that we will be able to celebrate Mass, starting this weekend, with 15% capacity, is a welcome and positive sign that we are moving forward. At this time, we recognize that re-opening of parishes there will be many priorities for pastors and parish communities to address in the next few weeks. Given this, with the Episcopal Board and the Chair of the ShareLife Advisory Board, we will be changing the second and third collection dates for ShareLife as follows:

ShareLife 2nd collection-the weekend of October 2-3, 2021 (this was the originally scheduled 3rd collection date). ShareLife 3rd collection-the weekend of October 30-31, 2021.

Our agencies and the people they serve have been severely affected by the pandemic. We thank you for all that you are doing for ShareLife, and for your understanding as we make these necessary adjustments to the 2021 ShareLife collection dates.
